

Hello!

This is a tradition that we have started for our kids and we are so excited to have you be a part of it! The idea is that this book will be letters, inspiration, words of encouragement, wisdom and congratulatory messages from each of their teachers year after year.

When they graduate high school they will be given this book as a gift. At that point in time it will be a collection of sweet words from each of the educators who helped, pushed and inspired them to get to where they are. You are a part of this journey just as much as we are as their parents.

We would love for you to take a minute and write a note. We have marked the page for you to use - write anywhere on it. The kids do not know about this project so we would love for you to keep it a secret as well! When you are done, please place it back in the envelope and put it in their backpack for them to bring back home.

Thank you so much for being such a big part of our child's life! We truly value the educators who are helping our kids become the amazing people they are meant to be!

Sincerely,
